

FAQ Placement

1.) How will ACT help me in finding jobs?

- We shall get you registered in our Job portal which would help you to get connected to Employers.

2.) Will I get any job offers?

- Yes our placement department will give you free access to our job portal from where you would get to check job offers in various locations. Also, you will be contacted at regular intervals whenever there will be any vacancy information.

3.) What is essential to get job assistance from ACT?

- You will have to update your profile in our job portal; otherwise we won't be able to provide any assistance.

4.) How would I know that I have been registered on your Job portal?

- After our placement department gets you registered, you will get an email from the job portal. A link will be there through which you have to verify your email id and also update your profile.

5.) What if I have any location preference for jobs?

- You will have to mention your preference while updating your profile. Our placement department will check that and provide you vacancy information accordingly.
